THIS AGREEMENT, made and entered into at St. John's, in the Colony of Newfoundland this ninth day of April, Anno Domini, one thousand nine hundred and twelve, between His Excellency Sir Ralph Champneys Williams, K.C.M.G., Governor of the Island of Newfoundland and its Dependencies, in Council (hereinafter called "The Government") of the first part, and The American - Newfoundland Pulp and Lumber Company, of Grand Rapids, in the State of Michigan, in the United States of America (hereinafter called "The Company") of the second part.

Whereas it is desirable to promote the development of this Colony by utilising more fully than at present its timber resources, by securing the establishment of further timber, pulp and paper industries, and by encouraging the investment of capital therein ;

And whereas, by various leases or licenses, the Government of Newfoundland has heretofore leased the right to cut timber over certain pieces or parcels of land situate at and in the vicinity of Deer Lake and the Humber River to various parties, which leases or licenses have by various assignments become the property of and are now owned by the Company ;

And whereas the Company is desirous of establishing timber, pulp and paper mills and manufactories at Deer Lake aforesaid for the purpose of utilising the timber resources on the said lands, provided it can secure water rights to furnish sufficient power for the operation of the said mills and manufactories ;

And whereas the Company has made application to the Government for the right to use certain waters hereinafter more particularly described and for certain other privileges necessary to such operation, and the Government has (subject to approval and ratification by the Legislature) assented to same, upon the terms and conditions hereinafter contained and set forth.

Now this Agreement witnesseth that in consideration of the premises and of the covenants, provisos and conditions, hereinafter contained, it is hereby agreed as follows, that is to say :
